All frames are registered and have a serial number.

All frames are made from solid kiln dried hardwood with 18mm thick white mounting board with 4mm thick glass to protect photograph.

All timber is finished with two coats of a specially blended natural vegetable oil with citrus-peel extract.

All frames come with 18mm thick backboard with integral key-hole slots for hanging.

Bespoke frames can be made to order with multiple numbers of apertures and in a large format.

Apertures can be made in a mounting board to allow a collection of images to be viewed through an individual "window". Please contact us for further information.

A discount of 10% will be given for orders of the same size frame, quantity of five or over.

All frames are sold with no VAT added.
